SUES McLEAN

Mrs. Edward B. McLean, wife of the millionaire publisher, one of the capital's outstanding hostesses and owner of the famous and "unlucky" Hope Diamond, is suing for $10,000 monthly maintenance and their children. The famous diamond, which is shown here, is supposed to be cursed and all of its owners for the last century have been the victims of bad luck.

2 EXECUTIONS SET TONIGHT

Ohio Slayers Doomed After Governor Refuses To Extend Clemency.

LAST CHANCE VANISHES

Akron and Hamilton Men To Pay for Killing of Officer and Farmer.

By The Associated Press

COLUMBUS, O., Nov. 10 — Bert Walker, 42, of Akron, and Charles Cramer, 31, of Hamilton, must die in the electric chair at Ohio penitentiary tonight for murder. Governor Cooper denied executive clemency to the men after a hearing today, thus closing their last chance to escape the electric chair.

Governor Cooper reviewed both cases with the state board of clemency and Dr. C. H. Creed, head of the new classification and segregation department of the Ohio penal institutions.

Walker made no request for executive clemency. He said, the governor was informed, that he would sooner take his medicine than ask clemency. Walker, however, claimed he was not guilty.

Puts Up Sanity Plea

Counsel for Cramer asks commutation of his sentence to life imprisonment on the grounds that he was insane. Dr. Creed said that his examination disclosed that Cramer was sane and could tell the difference between right and wrong. The governor said he saw no grounds on which executive clemency could be extended in either case.

Account of Crimes

Walker was convicted of slaying Harlan Manes, an Akron policeman, during an argument over an alleged traffic violation last March 7, and Cramer was convicted of killing Robert Clemons, a prosperous Brown county farmer, during an attempted robbery.

Walker was arrested the day after the shooting of the policeman. They found him in a house, badly wounded in both arms from bullets fired by other policemen and also siezed a machine gun, a powerful rifle, sawed-off shotgun and four pistols which were stored in the building.

Cramer was arrested at Cincinnati after he and three companions were alleged to have killed Clemons when the farmer resisted their efforts to rob him. Clemons was shot down as he went to the aid of four youths who claimed their automobile was disabled.

John Zellar, 24, convicted with Cramer, is under sentence of death Dec. 10. No appeal was made in his case.

MINE TO REOPEN

Expect to Resume Work at Millfield Soon; Last Victims Buried.

By The Associated Press

MILLFIELD, O., Nov. 10— The Sunday Creek Coal company's No. 6 mine, where 82 men were killed by an explosion and gas last wednesday, will be in operation again in about 10 days if the present rate of repair work is maintained, according to State Mine Inspector Valentine Brown.

When the mine is sufficiently repaired federal and state investigators will inspect the underground tunnels in the hope of ascertaining the cause and location of the explosion. A group of mine officials made a tour through the workings yesterday.

The last of the funeral rites were to be held today. Most of the victims were buried yesterday.

C., M. & B. MAY CONTINUE TO BE OPERATED

C., D. & M. Electric Co. Believed Interested in Taking Over Line.

WITHHOLD ANY COMMENT

Court Confirms Sale of Line to Junk Firm for $31,500.

Possibility that the Columbus, Marion & Bucyrus Railway Co., whose sale to the Malo Bros. junk firm was confirmed today by common pleas court, might be operated instead of junked was rumored today.

Officials of the Columbus, Delaware & Marion Electric Co., one of the three firms to bid on the property at a receiver's sale last Monday, today refused to comment on rumors that they were negotiating for the purchase or lease of the road.

Sale Approved Today

Neither Malo Bros. nor the C., D. & M. Electric Co. has received official notice of the confirmation of the sale, they said. The confirmation, however, was made by the court this morning.

Malo Bros. paid $31,500 for the electric railway and all its property. A Columbus junk firm and the C., D. & M. Electric Co. were the only other bidders.

The property is appraised at $96,122.83, while its bonded indebtedness totaled $420,000. The Guardian Savings & Trust Co., of Cleveland and the Irving Trust Co. of New York City, hold the principal liens.

While interested parties today were awaiting the court's official confirmation of the sale, commissioners of Crawford county were meeting at Bucyrus to act on a request of the C., D. & M. Electric Co., to be relieved of paving obligations incurred by the C., M. & B. Railway Co., an indication that the C., D. & M. firm is interested in the purchase of the road.

Say Plan Favored

The commissioners assumed a $1,200 debt for moving the tracks of the railroad in Bucyrus last summer when Marion street, on which the road enters Bucyrus, was being paved. They were assured by the city of Bucyrus at that time that no new franchise would be granted the road or its successors until the debt was paid. City officials, however, are said to be in favor of cancelling the debt.

George Whysall, president of the C., M. & B. Railway Co. also was receiver for the road, which was built in 1908 between Marion and Bucyrus.

SENATE RACE STILL UNDETERMINED HERE

Bower Has Lead with Official Count in District Nearly Complete.

Whether John Bower of Rushsylvania or Ralph Sugrue of Tiffin has been elected to pair with Robert L. Rohe of Tiffin as state senators from the combined thirteenth and thirty-first districts was still in doube today, according to the Seneca county board of elections which is compiling the official returns.

Official returns from six of the seven counties, in addition to unofficial returns from Union, the seventh county, indicate that Bower is elected by a margin of 196 votes. Early returns last week gave the election to Sugrue, but discrepancies found in the Wyandot county returns changed the tide to Bower.

The standing today, with Union county's unofficial returns taken into consideration, gives Bower 38,898 votes and Sugrue 37,702. Rohe, the incumbent, was assured reslection as one of the two senators from the combined district since his vote total stands at 41,899. Dallas Sullivan of Richwood, the fourth candidate, was low with 36,405.

Rohe and Sullivan are Republicans and Bower and Sugrue are Democrats.

23 SEAMEN MISSING IN WAKE OF STORM

Bodies of 18 Sought Along West Coast; Five in Florida Coast Shipwreck.

By The Associated Press

SAN FRANCISCO, Calif., Nov. 10 While a waning storm tossed wreckage of the lumber schooner Brooklyn at their feet, coast guardsmen searched today for the bodies of 18 men who went down with the little wooden craft Saturday on Humboldt Bar in northern California.

Meantime a determined crew of 41 refused all offers to be taken off the creaking Richfield oil tanker Tamalhua, aground since Thursday night on Pescadero reef, 50 miles south of San Francisco. Six wreckers and three tugs waited for heavy seas to subside before beginning salvage attempts. A breeches buoy was ready to take the crew ashore in case of emergency.

Determined to maintain his schedule, Captain T. Tufvesson steamed the lumber-laden Brooklyn out of Eureka for San Francisco Saturday in the face of one of the worst northern California gales in years.

Giant seas split the wooden craft in two as easily as a man would break a match, said Captain Ahlin, whose lumber schooner Washington was but a quarter mile behind.

A few minutes after she was caught, Ahlin said, the Brooklyn sank with all hands.

FIVE CARRIED INTO SEA

Men in Barge Victims of Storm That Sweeps Florida Coast.

By The Associated Press

WEST PALM BEACH, Fla., Nov. 10—A churning, white-capped sea today hid the fate of five men, who disappeared as the barge Northern Light sank in a storm that harrassed shipping along a wide expanse of the Florida east coast.

Continued on Page Five

WILL CONSIDER CITY FINANCES

Council To Discuss New Gas Proposal of Ohio Fuel Gas Co.

WILL TRANSFER FUNDS

To Provide for Immediate Payment of Salaries of Municipal Workers.

Gas and finances will be two big topics for discussion when city council meets tonight.

Council is slated to make transfers and appropriations that will partially solve the city's financial problem, following defeat of the one mill levy for operating expenses.

Offer of the Ohio Fuel Gas Co. to make temporary tie-ins and connections with a Green Camp main line to give the city an abundance of gas this winter, providing council gives the company a 60-cent rate, is also on the program.

To Determine Route

A corps of engineers of the Ohio Fuel Gas Co., and John Schooler, representative of the company's lease department, have started to determine a route the proposed Green Camp line would follow and to obtain options for lease of the necessary land. With an option on the right-of-way, the company is prepared to begin construction of the line immediately in case council grants the 60-cent rate, according to C. F. Bronson, district manager.

Engineers and Mr. Schooler hope to have options on the proposed right-of-way in two or three days.

In a letter to be read to councilmen tonight, Mr. Bronson says it is possible for his company to make the temporary connections with the Green Camp line before extreme winter weather if council will grant the company a settlement before Nov. 15.

To Replenish Funds

Funds from which firemen and policemen's salaries, street light bills, and water bills must be paid will probably be replenished by council tonight.

Funds will be transferred from departments which will not require their entire appropriation to complete the year, and from the general fund. Text of the transfers was drawn Saturday morning by City Solicitor Carter Patton and George Dustman, state examiner, and submitted to the finance committee of council Saturday afternoon.

Bakers At War Here; Prices of Bread Down

MARION housewives today were benefitting from a local bread war which enabled them to buy regular 10-cent loaves as low as six cents, with eight cents as the maximum. The price is on the one and one-pound loaf.

Smaller bakeries instituted war last week when they began to retail bread at prices said to be below cost. Larger bakeries followed suit.

Many groceries are offering the low-priced bread as specialties, it was reported.

The war, which began last week, is expected to continue only a few days since an adjustment is necessary to all concerned, it was said.

RESIDENTS HERE TO DISPOSE OF LEAVES

City Eliminates Annual Gathering as Part of Retrenchment Program.

In line with a policy of eliminating all possible expense, city officials today announced that the service department will not continue the annual practice of gathering leaves this year.

A program of reducing expenses in every department was adopted Friday by Mayor L. Don Jones when city officials met to decide on what course of action would follow defeat of the one mill levy.

Officials are asking each Marionite to rake the leaves from their yards and from the narrow strip of lawn between the sidewalk and the curbline, and to burn these leaves in backyards.

Director Harlow requested that the leaves be kept out of the gutters as they clog catch basins and storm water drains. A city ordinance prohibits burning leaves in the street.

"We intend to first cut the things that hurt least" Mayor Jones said today. "By omitting the leaf-gathering program of the service department, the city will save between $600 and $800."

150 TICKETS SOLD FOR C. OF C. DINNER

Fred Lazarus, Jr., of Columbus To Speak Tonight at Marion Club.

A total of 150 tickets had been sold at noon today for the dinner meeting of the Chamber of Commerce to be held at 6 p. m. in the Marion club, according to Hoke Donithen, president.

Fred Lazarus, Jr., an official of a Columbus business house, and George V. Sheridan, executive secretary of the Ohio Council of Retail Merchants, will be the speakers. The meeting is intended primarily for retail merchants in the city although the public is invited.

Tonight's meeting is one of a series of monthly dinners to be given by the Chamber of Commerce during the winter months. The Kiwanis club will cooperate with the organization at tonight's program.

BUSINESS LEADER DIES

By International News Service

ORANGE, N. J., Nov. 10—Sydney M. Colgate, 68, chairman of the board of directors of the Colgate-Palmolive-Peet company, of Jersey City and Chicago, died suddenly today at his home here.

FORMER MARION WOMAN STRUCK BY AUTOMOBILE

Miss Isabelle Virginia Freeland in Cleveland Hospital with Severe Injuries.

HIT-SKIP DRIVER ESCAPES

Fractured Skull and Concussion Suffered by Victim of Mishap.

Miss Isabelle Virginia Freeland, 47, a former resident of Marion and a well-known writer, is in critical condition in a Cleveland hospital today, the victim of a hit-skip motorist, according to International News Service dispatches.

An extensive police search was underway for the motorist who ran her down as she was about to board a street car in Cleveland.

Skull Is Fractured

Miss Freeland sustained a fractured skull and other body bruises, according to attaches at the hospital.

Her condition was reported today to be "serious" even though she spent a "fairly good" night. More than 30 stitches were necessary to close up a wound in her scalp.

Miss Freeland is well known here, being a graduate of Marion High school in the class of 1902. She was class poet, and has later written extensively for newspapers and magazines.

Miss Freeland was hit by the hit-skip driver in the heart of the downtown section of Cleveland. The machine struck her as she stepped from the curb to board the street car. In the confusion of traffic at the busy corner the autoist escaped, police said.

Word Received Here

Miss Freeland is the daughter of the late Mrs. J. W. Freeland, honorary president of the Ohio Newspaper Women's association, who died in Cleveland last Oct. 12. She was admitted to the bar a year ago, and has been teaching at the Taft school in Lakewood for the last eight years.

A telegram received in Marion this morning stated that Miss Freeland is in good spirits and that her doctors were optimistic regarding her recovery. She suffered a fractured skull, according to the telegram, and a slight concussion, but there was no pressure nor blood clots formed. Except for severe bruises, she sustained no body injuries.

MISS EARHART WED? NOT SO, SHE ASSERTS

Marriage License Issued to Noted Aviatrix and George Palmer Putnam.

By The Associated Press

NEW YORK, Nov. 10—Amelia Earhart, first woman to fly the Atlantic, and George Palmer Putnam, publisher and explorer, have obtained a license to wed but whether the ceremony has been performed was a mystery today.

Henry P. Bailey, town clerk of Noank, Conn., and Probate Judge Arthur P. Anderson concurred in statements that a license had been issued Saturday, and Judge Anderson said he waived the five-day notice of intention required by Connecticut law.

Miss Earhart, who was in Washington today, denied she and Putnam were married.

She and Putnam were at the summer home of Mrs. Frances Palmer, the publisher's mother, at Noank, Saturday. They left together in an automobile after inquiring concerning train schedules from New London, Conn. Miss Earhart later flew to Washington. She said Putnam had not accompanied her nor could he be located.

She insisted she knew nothing of a marriage license being issued Saturday to her and Putnam.

"Sometime in the next 50 years I may be married," she said.

Miss Earhart became interested in aviation and learned to fly while doing social work in Boston. She was the first woman to obtain a pilot's certificate from the National Acronautics association and at one time held the women's altitude record for a flight of 14,000 feet.

Putnam's previous marriage to Mrs. Dorothy Binney Putnam was ended by divorce, in Reno, Nev., in December, 1929.

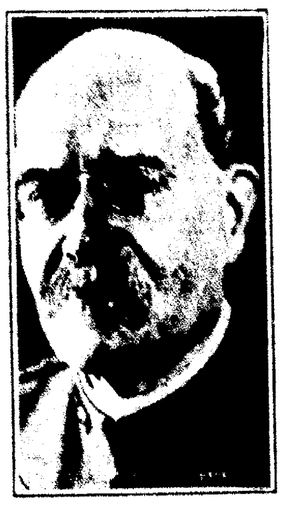
One Dead in Clash Over Sunday Hunting Law

By The Associated Press

CHARDON, O., Nov. 10—One brother was dead, another was suffering from bullet wounds and a third was held in jail today as a result of a dispute with a game warden and a constable who sought to arrest them for breaking the Sunday hunting law.

The dead person was Richard Hanna, 18, of Cleveland. His brother, George, 23, was wounded in the left side and the third brother, James, 27, was arrested by Warden Ambrose I. Davis and Constable Charles Meredith, after an argument on the Hanna farm 10 miles southeast of here yesterday.

WAR CHIEF DIES



GEN. TASKER H. BLISS

• • •

PLAN TRIBUTE TO GEN. BLISS

Military Leaders To Participate in Funeral Rites Set for Wednesday.

NOTABLE CAREER CLOSED

More Than Half Century of Service to Country Given by World War Chief.

By The Associated Press

WASHINGTON, Nov. 10—General Tasker Howard Bliss, war time chief of staff, is dead, ending more than half a century of service of his country.

The soldier-statesman succumbed early yesterday of intestinal trouble. He was 76 years old.

He will be buried Wednesday at Arlington, escorted to the grave by a group of distinguished soldiers and sailors whose names, with his, were on every lip during the World war.

General John J. Pershing, Admiral W. S. Benson, Admiral Hugh Rodman, Major Generals Hugh L. Scott, William Crozer and Brigadier General Stanley D. Embrick, together with Newton D. Baker, former secretary of war and Colonel E. M. House, will be his honorary pallbearers. Plans were being made today to give him an impressive final tribute.

Record of Life Praised

His death brought immediate tributes from military leaders.

General Pershing said "He lived his life in fulfillment of the motto o this alma mater, West Point, —duty—honor—country."

Former Secretary Baker, with whom Bliss served "A great American, a great servant and citizen of the world."

General Bliss served in four campaigns and performed important civilian duties for the government both at home and abroad. Among them was his post on the supreme war council and on the American peace commission as personal representative of President Wilson. His death leaves Colonel House the only American survivor of the war council.

Appointed at 17

Bliss began his military career by walking barefoot 10 miles to obtain from his representative in congress an appointment to West Point. He was 17 and wanted to save his shoes to "look nice." He got the appointment, entering West Point in 1871. His career took him through the Spanish-American war, the Porto Rican campaign, the Philippines disorders and the Mexican expedition. He won numerous decorations.

He is survived by his widow, Mrs. Eleanora Emma Bliss, a son, Colonel Edward Goring Bliss, and a daughter, Mrs. Adolph Knopf of New Haven, Conn. He was born Dec. 31, 1853, at Lewisburg, Penn., the son of George R. and Mary Raymond Bliss.

New Remedy

(Will Rogers Special)

SANTA MONICA, Cal., Nov. 10—Everybody has offered suggestions as to what is the matter with the world. I just got one to offer and then I will shut up.

It's inventors that's put us where we are today.

There ain't enough jobs to go round. Why? Because every lazy man in the world has invented something to knock others out of work, and fix himself financially so he wouldn't have to.

So, Mr. Hoover, appoint a last commission and, if they hear of anyone inventing something, or even thinking of inventing something, stop 'em.

With four-fifths of the world earning their living by work, we honor men that invent things to knock 'em out of work.

Yours,

Will Rogers

ONE DIES IN TRAIN-AUTO CRASH HERE

John Miley, 50, of Mt. Gilead, Instantly Killed at Greenwood Crossing.

WATCHMAN IS IGNORED

Westbound Big Four Freight Catches Car at 10:15 A. M. Sunday.

John Miley, 50, of Mt. Gilead, was one of 16 Ohio persons killed in automobile accidents over the week-end. Miley was instantly killed when his machine was struck by a Big Four freight train Sunday at 10:15 a. m. at the North Greenwood street crossing here.

While his son Earl Miley of Galion waited for his father to visit his home for Sunday dinner, Miley was hurrying north on Greenwood street to see a brother Henry Miley of East Farming street, before driving to Galion.

Watchman Signals

Vincent Nardini, watchman at the crossing, said that a number of machines were waiting at the crossing, in obedience to his signal, but Miley drove his car around him, hitting his arm.

The model-T Ford was completely demolished by the westbound freight train and parts of the machine were strewn 75 feet along the tracks. Some of the parts, caught on the train, were carried to the State street crossing.

Miley drove the car directly in the path of the train and was instantly killed when the engine caught the machine. Miley was thrown under the cow-catcher of the locomotive. Identification was impossible for some time. The body was severed at the chest, and was unrecognizable.

Relatives Here

Mr. Miley is in the employ of the city of Mt. Gilead. His children all live in Galion. Two sisters and a brother live in Marion. They are Henry Miley whose home he was enroute to visit at the time of the accident, Mrs. H. F. Shaffstall of Lincoln avenue and Mrs. L. W. Price of Congress street.

The surviving children are Edgar Miley, Earl Miley, Harold Miley, Mrs. Ruth Hart and Miss Grace Miley, all of Galion. A daughter Iva Mae, died 20 years ago. Other brothers include Gottlieb Miley of Richland township and Will Miley of Waldo.

Mr. Miley was born May 31, 1880, in Richland township to Christian and Charlotte Coundius Miley, both dead. His wife, Mrs. Callie Bell Harruff Miley, lives in Galion. He was a member of the Lutheran Windfall church west of Cardington.

Funeral services will be held Tuesday at 1 p. m. at the C. E. Curtis Co. mortuary on East Center street and at 2 at the Windfall church, Rev. H. F. Wolbert, pastor, will be in charge. Interment will be made in the Cardington cemetery.

AMMEL NEARS END OF PANAMA FLIGHT

Showing Speed In Non-Stop Air Voyage Starting at New York.

By The Associated Press

NEW YORK, Nov. 10—Thwarted by adverse weathers in his plane to fly across the Atlantic, Captain Roy W. Ammel, Chicago broker, was on a non-stop flight to the Panama Canal zone today.

He hopped from Floyd Bennett airport, the new municipal airport on Barren Island, at 2:30 p. m. yesterday and hoped to reach France field, Panama, in 21 or 22 hours. He had 702 gallons of gasoline and 34 gallons of oil, which he calculated was sufficient for the 2,270-mile trip.

His plane is a low-winged monoplane, equipped with a 500-horsepower motor and has a cruising speed of 125 miles an hour.

Tropical Radio station at Miami, Fla., reported today that the United Fruit company's steamer Tivives sighted Ammel's plane off the northwest coast of Honduras at 9:25 a. m. (Marion time).

HEARING TODAY

Joseph Sansotta, S. E. Moore Charged With Liquor Possession

A hearing on charges of illegal possession of intoxicating liquor was scheduled to be given Joseph A. M. Sansotta, proprietor of a restaurant at 600 West Center street, and S. E. Moore, an employe, this afternoon in probate court.

They were arrested Saturday, Nov. 1, by a squad of five state prohibition operatives who report having found 28 pints of whisky and gin in the kitchen of the restaurant and in a room occupied by Moore over the restaurant.

Each was released at the time on $200 bond. Attorney Fred W. Warner was retained by the defendants as counsel.

Leonid Meteors Earthward Bound for Infrequent Visit; Coming in Few Days

By The Associated Press

PHILADELPHIA, Pa., Nov. 10— Coasting earthward down a 17-degree slope in space the thickest swarm of meteors known to science is nearing this planet.

So vast are its numbers that although its main section is still three years distant its advance guard to the number of a dozen or more an hour, are expected to appear in the early morning of Saturday, Nov. 15, as well as for a few days before and after this.

The swarm is the Leonid meteors, known for 1,000 years past, visiting earth three times a century, and occasionally filling the sky with a rain of fire.

Figuratively they are coming from above the earth because their orbit is inclined 17 degrees to the plane of the earth's orbit.

Astronomers plan to count the outriders of the meteoric host from Nov. 11 to 17, because the numbers seen may indicate whether the Leonids are likely to put on another great fireworks display in 1933, or throw a dud, as they have done more than once in the past.

A call for volunteers to assist in watching both Saturday and Sunday morning was issued here today —volunteers from the ... hardly persons willing to spend the night out in the cold, to strain their eyes for hours to see perhaps a few dozen meteors, and to spend their own money for a two-cent stamp to inform science of the results.

This is real scientific service, and those who attempt it will experience some of the ordinary routine of astronomers, including paying their own expenses.

The count may enable astronomers to calculate whether the center of the big shower is headed just right to hit earth. Its main concentration is estimated as not more than 100,000 miles wide and to contain hundred million million million dust.

STUDENT CLAIMED AT RESIDENCE HERE

Martha Lucille Graham Dies After Illness of Week; Funeral Tuesday.

Funeral services for Martha Lucille Graham, 16 year-old high school student who died Saturday at 11 p. m. at her home at 366 Park street, will be held Tuesday at 2:30 p. m. at Calvary Evangelical church.

The girl, who is a junior in the commercial department at Harding High school, had been ill of pneumonia less than a week.

She was born Jan. 30, 1914, in Huntsville, O., to Jasper J. and Mary E. White Graham who are both living. She was a member of Calvary church and of the young people's society.

Surviving with her parents are her brothers and sisters, Mrs. Foster Dye of 605 East Church street, G. Ralph Graham of Upper Sandusky, Harold E. Graham at home, Homer Earl Graham of 304½ West Center street and Robert P. Graham of 401 East Fairground street.

Rev. E. Rapp, pastor of Calvary church will be in charge of the funeral services. Burial will be made in Marion cemetery. Friends may view the body at the home.

RITES HELD TODAY

Frank Watson, 67, Passes Away at Home in Wharton.

UPPER SANDUSKY, Nov. 10—Funeral rites for Frank Watson, 67, who died Friday night at his home in Wharton were held this morning at the Watson home. Burial was made in the Wharton cemetery.

Mr. Watson was born Feb. 25, 1863. Besides his wife he is survived by eight children, Glen Watson of Carey, Mrs. Ethel Shaw of Spencer, Mrs. Mr. Ethel Yerian and Mrs. Mabel Bevington of Huntington W. Va., Harry Watson of Ottawa Lake, Mich., Roy, Mack and Harold Watson at home. He also leaves the following brothers and sisters: Hammond Watson of near Wharton, Mrs. Nellie Hupp of Canton, Mrs. Sarah Shaner of near Carey and Willard Watson of Utica.

CITY BRIEFS

Brought Here—W. B. McVay was removed Sunday from the home of his nephew L. L. McVay of near Oakwood, O. to the home of his daughter Mrs. H. W. Baumgartner of Wood street. He is reported to be recovering from a fractured hip sustained in a fall Aug. 15 at the home of his nephew.

Funeral Mass—Funeral mass for Patrick Ganyard, Big Four crossing watchman at LaRue, was celebrated today at 10 a. m. in St. Joseph's Catholic church at LaRue. Rev. Fr. John Kelly officiated. Interment was made in the LaRue cemetery.

Ambulance Drives—The W. C. Boyd invalid car made the following drives over the week-end: Mrs. O. A. Ralston, from City hospital to her home at Pleasant Acres, Saturday afternoon; Harold Melvin, son of Mr. and Mrs. John Melville, from City hospital to his home at 474 Wood street Saturday afternoon; Miss Gertrude Tumbleson from City hospital to her home at 876 Silver street, Sunday morning.

In Hospital—J. C. Drake of 402 North Prospect street, contractor, is receiving medical treatment at City hospital.

Named Assistant—Gerald Wise, Marion student at Wittenberg college, has been appointed student assistant in the department of business administration at the college.

Non-Support Charge—Othal Watkins, 40, of 441 Wilson avenue, was to be arraigned in municipal court today on a charge of non-support, following his arrest by police last night. Action was brought against him by Clara M. Watkins, who charges he has neglected to provide for his one minor child since June 1.

Out on Bond—F. E. Steinberger, 32, of Columbus, was released on $5 bail after he was arrested Saturday night on a charge of ignoring a traffic signal at Main and Center streets. He is to appear in traffic court next Friday.

Don't forget plowing demonstration Tues. and Wed. on Huber Farm, 2 miles east of Marion, along State Route 95.—Adv.

AD CLUB TO MEET

Session To Be Held Wednesday at Hotel Harding.

A meeting of the Marion Advertising club will be held Wednesday at 6 p. m. with a dinner at the Hotel Marion, it has been announced by R. T. Lewis, president.

The club recently was reorganized with Lewis as president, Karl W. Schell as vice-president, and C. F. Davison as secretary and treasurer.

Plans for advertising the city in various way are being made by the club.

Why does the Isaly Dairy uptown store have an electric clock in their window from the C., D. & M.?—Adv.

Police Investigate Shooting in North-End

Police were called to the northeast section of the city late Saturday night by a volley of revolver shots, but were unable to locate the shooter. An investigation of the shooting revealed that no damage or injury had been caused by the shooting.

The firing occurred about 11 p. m. Saturday, north of Fairground street and east of Main street.

Funeral Services Held at Lykens for Woman

BUCYRUS, Nov. 10—Last rites were held Sunday afternoon at the Lykens Evangelical church for Mrs. Rowland W. Hammond, 71, whose death occurred Thursday afternoon. Interment was made at the Baseline cemetery.

She is survived by her husband, two sons, Claud of Republic and Victor at home; five daughters, Mrs. Lydia Stoner of Tiffin, Mrs. Hattie Swally of Sycamore, Mrs. Olgar Clara of Wellington, Mrs. Mabel Weaver of Tiffin, Mrs. Grace Johns of Bucyrus; one brother, Eli Miller of Republic; two sisters, Mrs. Flora Virts of Ft. Wayne, Mrs. Hannah Powers of Clare, Mich.

E. W. Seckel has a pair of ladies slippers in his window from the shoe market, do you know why? —Adv.

With a "fatal chronic disease" well taken care of, one may live to the age of 80 or so.

ANY COUGH IS A BAD COUGH!

Always Treat a Cough Promptly

A neglected cough may develop into a permanent one. And all coughing is bad for the reason that it tears you down. At the first sign of a cough or any soreness in the chest, take good, dependable old "Piso's for Coughs." Piso's does the five things necessary to stop a cough and repair the damage done.

It checks the cough spasm, loosens the mucus, opens the air passages, soothes the inflamed tissues, and at the same time, has a tonic value that tends to build up what the cough tears down. Only Piso's supplies these five vital effects and it contains no opiates and does not upset the stomach. Safe to give, even to babies. All druggists sell Piso's in 35c and 60c sizes. Be sure you ask for "Piso's for Coughs."—Adv.

BAIN ON PROGRAM

Local Man Gives Talk Before Meeker P.-T. A.

MEEKER, Nov. 10—Addison Bain of the Marion county detention home spoke before the Meeker Parent-Teachers' association Thursday night on "Beavers." He presented an interesting display of beaver cuttings from a dam in northern Michigan. He also showed part of his Marion county historical rifle collection.

Mrs. Rose Woodbury played a piano solo as the opening number of the program. Enid Hickman gave a reading. Mrs. Ethel Seifert and Nina Louise Strawser sang accompanied by Mrs. L. M. Walterhouse. Donald Irvine sang a solo accompanied by his mother.

The program committee was Mrs. Dale Rhoads, Mrs. L. M. Walterhouse, Mrs. Clifford Mulvaine and Miss Ruth Drake. The social committee was Mrs. Henry Coon, Mrs. A. A. Parish and Mrs. George Rhoads.

Nearly all advice has a grain of value in it, but you have to sift it.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

FOUR WRITERS IN FAMILY

NOVEL BY ONE OF NOTED HOWES WILL APPEAR IN STAR

By The Associated Press

NEW YORK Nov 10—Fifty years ago "The Story of a Country Town" brought fame to Ed Howe Atchison Kansas editor and two sons and a daughter since have followed in his footsteps to literary and journalistic renown.

Mateel Howe Farnham, youngest of the "Four Writing Howes" recently completed her third novel "Wild Beauty" which will appear in The Star in serial form, beginning Friday Nov 14

Mr Howe the father founded the Atchison Globe in 1877 when he was 23 "The Story of a Country Town" written a few years later was declined by several publishers Finally published in the Globe, it attracted the attention of noted critics The same publishers then clamored for the story It ran through more than 50 editions and still has a ready sale

* * *

SUBSEQUENT novels, magazine articles, syndicated newspaper columns and the philosophizings of the "Sage of Potato Hill" for more than half a century have made Him an international figure

Gene Howe son of the Atchison philosopher and editor of the Amarillo (Texas) Globe, sprang into national fame when he leveled stinging censure against Col Charles Lingbergh Hardly had the reverberations of this incident quieted down when "Old Tack" as Howe signs himself in his "The Tactless Texan" column, incured the wrath of Mary Garden by criticizing her operatic performance

* * *

JAMES P HOWE, third of the "Four Writing Howes" is chief of the Associated Press bureau at Peiping China. His talents have been devoted chiefly to chronicling world news and he has held posts in Berlin London and other European capitals

Mateel Howe Farnham joined the family quartet three years ago when her "Rebellion" won the $10,000 prize offered by a publisher and magazine for the best first novel "Marsh-Fire" was written soon after this and attained equal popularity

The first chapter of "Wild Beauty," Mrs Farnham's latest novel will appear in The Star, Friday Nov 14

Mateel Howe Farnham (above) has followed in the footsteps of her famous father, Ed Howe (inset) and has just finished her third novel, "Wild Beauty"

THE Uhler-Phillips CO.

—Healthy, Wealthy and Wise.

Indeed, it is smart to be thrifty. But by thrift we do not mean cramping one's style. And thrift does not imply scrimping and living from hand to mouth.

Neither did the wise and astute Andrew Carnegie when he said, "The habit of thrift constitutes one of the greatest differences between the savage and the civilized man."

By thrift he did not mean unpleasant and unnecessary deprivations. He did not advocate stripping life of all charm and beauty and ease.

By the habit of thrift he meant the habit of spending and saving intelligently.

It's sensible to spend. But spend intelligently. Spend thriftily. Spend where your money goes farthest. Spend where you get most for your dollar.

And here at Uhler-Phillips, in this new era of low prices, your dollar today is doing more than ever to make living comfortable and attractive.

Shop in any department of the store and convince yourself that values are better and merchandise is most dependable in quality.

state and townships come in for the remainder, which amounts to about $200.

All the figures are indefinite since the tax rate shifts slightly every year, Shelton pointed out.

"If Judge Hough's decision isn't overruled by the supreme court, the state legislature must make provision at its next session to remedy the condition which will be brought about by the decrease, the treasurer said.

Effect State-Wide

Judge Hough's decision not only affects the $11,000 collected annually in Marion county but also affects approximately $25,000,000 in taxes assessed through out the state against such national bank stock since the test suit on which he ruled was first filed by the Columbus banks.

His decision further may necessitate the repayment to national banks throughout the state of the large amount of tax money. Of the $35,000 assessed against the national banks in Marion county since 1927 a total of more than $29,000 has been paid and Judge Hough's decision may necessitate the repayment of this sum, according to Shelton.

2 AGED CARDINGTON RESIDENTS CLAIMED

William H. Brown, 90, Mrs. Adeline Wilson, 80, Pass Away

Special To The Star

CARDINGTON, Nov. 10—Two of Cardington's oldest residents are dead today.

William H. Brown, 90, veteran of the Civil war, passed away yesterday at the home of his daughter, Mrs. Arthur Brown east of here.

He was a member of Co. F, 88th Regiment, O. V. I. during the Civil war. He was born in Indiana in 1840. Besides the daughter at whose home he died, he is survived by three brothers, Aaron of Fulton, Leonard of Ashley and John Brown of Mt. Gilead.

Funeral services will be held in the home Tuesday at 1 p. m. Burial will be made in the Otterbein cemetery in Marion county.

Infirmatives of age caused the death of Adeline S. Wilson, 80, widow of J. J. Wilson, at her home here last night.

She was born Feb. 11, 1850 in Virginia. The body will be taken Wednesday to Independence, W. Va., for funeral services. Short services will be held at the home here.

Surviving are two children, Cylde Wilson and Mrs. Lucy W. Mitchel of Cardington and three grandchildren.

Don't forget plowing demonstration Tues. and Wed. on Huber Farm, 2 miles east of Marion, along State Route 95.—Adv.

EXPECT 1,000 IN ARMISTICE PARADE

World War Veterans Complete Plans for Armistice Day.

Continued From Page One

to the aviation roll call being conducted Armistice day by the state American Legion. Led by Commander Clyde C. Caldwell of the Bird-McGinnis post here, the representatives will meet a plane whose pilot will receive 1931 state dues of American Legion members from this district.

Offices to Close

The plane which will land at Marion airport is one of five which will cover the entire state tomorrow during the aviation roll call. It will come here from Cleveland and will make stops at Sandusky, Findlay, Marion, Bucyrus and Mansfield before continuing to Port Columbus, the destination of all five planes.

All offices in the courthouse, as well as banks and numerous local business houses, will be closed tomorrow in observance of Armistice day, it was reported.

Fraternal organizations, business houses and other organizations will present floats in the parade tomorrow night. Prizes in the form of loving cups will be awarded the best historical and best industrial floats, which will be judged by a committee of three made up of Charles Klunk, Walter Brown and W. T. Buchanan, who will be mounted on a reviewing stand in front of the courthouse as the parade marches westward. Cash prizes also will be awarded for the best comic characterizations.

Police, Firemen To Parade

City police, firemen and officials will march with the grand mrshal and his staff at the head of the parade. Veterans of wars, national guardsmen, Boy Scouts, granges, fraternal organizations, high school and grade school students and contestants will appear in the parade. The Eagles band, Grand Prairie township band, the Harding High school band and the Future Farmers of America band will play during the parade.

The line of march extends westward to Orchard street, south on Orchard to Church street, east on Church to Main street and north on Main street to Mill street, where the marchers will disband.

LIGHTS READY

C. D. & M. To Finish Main Street White Way Tonight

Approximately 60 white way street lights are scheduled to be burning on Main street tonight. Installation of the lights was nearing completion today after they had been rushed here by express shipment from Lynn, Mass.

Special effort to install the lights today was made by the C., D. & M. Electric Co. to permit Main street merchants to combine their dedication of the street with local Armistice day celebration Tuesday night.

Merchants, however, set Nov. 25 for the dedication at a meeting Saturday.

DIES AT NEVADA

Mrs. Daniel Lohr, 74, Passes Away At Home.

Nevada, Nov. 10—Mrs. Daniel Lohr, 74, died at her home here Sunday night. Death was caused by infirmities of age.

Funeral services will be held at the M. E. church here Wednesday at 2:30 p. m. with Rev. Swigert and Rev. Hoy in charge. Burial will be made in the Nevada mausoleum.

She was born near Nevada July 30, 1856. Surviving are the husband and seven children.

OFFICIAL HELD

Henry C. Wiley, 62, one of Boston's most prominent trustees, was arrested on three larceny charges involving $380,000 and police said he not only admitted these thefts but others involving $115,400.

Bodies of 18 Sought Along West Coast; Five in Florida Coast Shipwreck.

Continued From Page One

Beached by a raging surf the tug Messenger was in a precarious position near Jupiter while two other vessels crippled by the pounding breakers proceeded northward at greatly reduced speeds.

The Northern Light, enroute to Wilmington, N. C., with a cargo of phosphate in tow of the tug Ontario, went down off Cary's fort reef yesterday. The Ontario picked up only J. Stewart of the barge's crew of six.

Pilot Bob Moore of Miami, flew over the area in a plane for four hours yesterday and the Ontario stood by in the chance that the missing craft had launched a lifeboat or taken refuge on a nearby key.

Captain Charles Russel and a crew of six were rescued at the Jupiter lighthouse Saturday night when the Messenger was tossed up on the beach. It was on its way to aid the freighter Lillian, whose propeller had fouled against a buoy chain. The Lillian was floated with slight damage.

LEGION SERMON

Rev. L. A. Wood Preaches at Armistice Day Sermon.

A large delegation from Bird-McGinnis Post No. 162, American Legion and the auxiliary, attended the Armistice Sunday services last night at Trinity Baptist church. Rev. Lawrence A. Wood, pastor, preached on "Patriotism's Unfinished Task."

"When patriotism has become identified with the highest welfare of America and of all nations it will become profoundly concerned about spiritual achievements without which no nation can be truly great. That unfinished task calls all men to the support and promotion of the spirit of Jesus Christ and the church that righteousness in the lives of individuals and fair dealings in international relations may become the permanent choice of all men," Rev. Wood said.

The services Sunday night were the official church services of the post in recognition of Armistice day. Flags were displayed in the church.

Opinions Divided On Long and Short Bob

BY JOSEPHINE HUDDLESTON

YES, it's a mighty serious beauty problem making up one's mind as to whether the hair is to be long or short. And, since the discussion waxes warm in all beauty circles new points in favor of and against the long bob are constantly coming up. Therefore, as your favorite chronicler of what's what in beauty I must keep you informed!

A recent survey among the leading New York hairdressers found opinion divided as to whether the long or short bob would prevail. This, of course, is the same viewpoint as has been held since the long bob first came back. But, as the Fall season grows nearer and the feminine mode becomes more popular fine points of distinction are making an impression on both the long bob sponsors as well as on the short bob advocates.

For example, one of the most famous hairdressers in New York City, and one who has favored the long bob from the beginning recently remarked:

"Although I personally prefer the long bob for itself as well as feeling that it is far more suitable with the long skirts now being worn for evening and formal afternoon, I appreciate the fact that there are some types of women who should not adopt it.

"The older woman appears far smarter and more youthful in a well coiffed short bob than she does when the longer modes for dressing the hair are favored. That youthful influence suggested by the mature woman who wishes to eliminate years from her appearance instead of adding them.

"Then, too, the woman whose face is long should not attempt the long bob styles as they not only make her face and neck seem longer but frequently give the impression of undue thinness which is not only unattractive but that really creates a false impression of underweight with its undesirable scrawniness. Whereas, that same woman, even though she actually were too thin could make her face and throat appear more round by the proper dressing of a short bob.

"Long noses also make the long bob impractical because the back dressing of the long bob accentuates this already prominent feature as happened when actually long hair was worn by everyone."

Sifting down this expressed opinion of an expert in hair circles, we find that only those youthful members of the feminine world who have full faces and small features are left to enjoy the newer long bob mode.

Still another equally important man in hair circles insists that the long bob can be made attractive on all types of women. But, by the time this expert has thinned out, curled and pressed the hair into becoming contours one realizes that only when in the hands of a master can every woman be assured of satisfactory results. It is true that that particular man can, I believe, make the long bob becoming to any woman who is fortunate enough to secure his services. But where, oh, where is there another such artist? That is the question that each of you should consider before adopting the longer style for your hair.

And, since this particular hair dresser is in New York and so inaccessible to thousands of you, I'm sure you will agree with me when I suggest that you follow the advice given for the average woman which is to study the contour of your head and features before giving up the short bob which you know is attractive for the long one which is apt to be less becoming.

The largest stakes credited to the late Snapper Garrison are $49,500, won when the jockey brought Boundless home in front in 1893 in the World Fair Derby at Chicago.

More players on Auburn's varsity squad this year aspire to play halfback and tackle than any other position.

PROBE BLAZE WHICH BURNS NURSES' HOME

Massillon Fire Chief Believes Conflagration of Incendiary Origin.

By The Associated Press

MASSILLON, O., Nov. 10—Two theories today were before investigators seeking the cause of the fire which destroyed McKinley hall, nurses' dormitory at the Massillon state hospital Saturday night.

Fire Chief Edward J. Hunsinger held his theory that the blaze was the work of a "firebug" who also was believed responsible for a fire which destroyed a hospital dairy barn last Thursday night at a loss of $25,000 and four other recent blazes in the vicinity.

Dr. Arthur G. Hyde, superintendent of the institution, discounted Hunsinger's theory. Dr. Hyde, the first person to enter the building after the flames were discovered, said he believed a "hot" wire of an electric meter used in the ventilating system was responsible.

The two investigations are headed by State Welfare Director Hal Griswold and Deputy State Fire Marshal George S. White.

Dr. Hyde said he would ask immediate replacement of McKinley hall with a chapel and new administration building.

TO HOLD MEETINGS FOR SCHOOL GROUP

Calvary Evangelist To Speak to Children Each Day Starting Tuesday.

Children's meetings will open Tuesday afternoon after school, at Calvary Evangelical church. Rev. R. L. Bush, conducting evangelistic services at the church, will show pictures of Africa and relate his experiences as a missionary there. The meeting will be open to all school children.

Rev. Bush preached three sermons yesterday. In the morning he spoke on "The Need of the Hour," stressing the need of the power of God and of the Holy Spirit in the church.

His sermon in the afternoon was on "Is the World Getting Better?" "When we see the wave of crime sweeping this country, and how people go on in their mad rush for pleasure, we cannot evade the issue that we are indeed in perilous times."

Sunday night he spoke to a full auditorium on "The Wages of Sin." In concluding his sermon he said: "We can choose what we will do. If a man or woman goes to hell it is because they worked their way there. God does not send any one there unless they are willing to go."

E. W. Harruff and Jesse Underwood furnished special music in the afternoon and Edgar Smothers and Raymond DeBolt gave a trumpet and trombone duet at night.

FOUR FIRES RESULT IN MINOR DAMAGES

Firemen Have Fairly Busy Week-End; Burning Leaves Cause 2 Runs.

Four minor firest did slight damage to a residence and a truck here Saturday afternoon and this morning.

Wiring on a Dodge truck belonging to Robert Bros. being repaired at the R. C. Wolfel garage at 206 West Church street was destroyed Saturday afternoon when a leaky vacuum tank on the truck caught fire. Damage was estimated at $25.

Sparks from a chimney ignited the shingle roof of the F. L. Schofield residence at 211 Elk avenue at 8:39 a. m. today. Firemen of company No. 3 extinguished the fire after $7 damage had been done.

Burning leaves were responsible for two fires Saturday afternoon and night. When a fire in leaves spread to the shrubbery at the residence of Mrs. Fred Thacker at 319 East Church street, the house was threatened. Firemen from the central station extinguished the fire before any damage was done.

Blazing leaves on Kensington place Saturday night spread fire to a large Elm tree, threatening to spread fire to a neighboring house. This fire was also extinguished before damage was done.

It's a poor mirror that will not enable a man to see his best friend.

CONSULT THE AUTOMOTIVE ADS IN OUR CLASSIFIED SECTION today!

VOTE IS VITAL

As a result of the close division of strength in the seventy-second congress, this Farmer-Labor member of the house, Paul Kvale, of Minnesota, will hold a unique power. With the Republican and Democratic forces in the house near a tie, Kvale's vote will probably be counted on to decide important issues.

MAN DROPS DEAD

Daniel Dewalt, 76, Claimed at Home in Galion.

GALION, Nov. 10—Daniel Dewalt, 76, dropped dead at his home at 130 South street here this morning. He died just before starting for work. No funeral arrangements have been made.

He was born in Muskingum county April 2, 1854. His wife died in September. Surviving are five children, Maud Bowling of Galion, Mrs. Gertie Collins of Ferndale, Mich., Mrs. Goldie Pierdle of Kent, Lester of Galion and Chester of Ferndale, Mich., two brothers, William of Leesville and John of Bucyrus.

SPENDS $161

Ray G. Smallwood Lists Expenses of Campaign.

The expense account of Ray G. Smallwood, successful candidate for county treasurer at last Tuesday's election, was filed today with the board of elections and shows a campaign expenditure of $161.27.

All candidates in the county and district must file such accounts within 10 days after an election, according to the state election laws.

One Marion Girl Left in Dance Marathon

One Marion girl remained among the 12 contestants in the national dance marathon at Crystal Lake park today, following the elimination of Dola Spangler of 243 Oluey avenue.

Miss Spangler was ordered to drop from the contest by Dr. C. J. Altmaier, physician who examines the dancers for physical fitness.

17 Chickens Are Stolen as Thieves Raid Coops

Police today were searching for chicken thieves who escaped with 17 fowls from chicken coops in Marion Saturday night.

Mrs. James Cogwell of 887 North State street reported to police eight chickens were taken from her coop sometime Saturday night or Sunday morning.

A similar theft of nine chickens was reported by M. J. Dunn of 267 Niles avenue. He said the fowls had apparently been killed before they were removed from the coop.

STOP BAD BREATH

Thousands of people afflicted with bad breath find quick relief through Dr. Edwards Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know.

Dr. Edwards Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

Olive Tablets bring no griping pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after 20 years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound, you will know them by their olive color. Take nightly for a week and note the effect. 15c, 30c, 60c.—Adv.

G. O. P. ACCEPTS

Agrees To Democrats' Offer of Cooperation.

By International News Service

WASHINGTON, Nov. 10—Coalition of a sort never before witnessed in the American political system appeared inescapable today as party leaders analyzed the situation brought about by an almost equal division in the parties in last week's election.

The Democrats have offered to form a coalition with the Republicans to accelerate such legislation as will aid in the business recovery of the nation. And the Republicans through Senator Watson, the majority leader, have formally accepted the offer.

The offer of the seven Democratic leaders to cooperate with the Republicans in all measures affecting the national economic recovery was accepted "with full faith and credit" by the Republicans.

In accepting the Democratic offer, Senator Watson observed dryly that it was no doubt put forward in the hope that it would stabilize the public markets which have been falling off unnecessarily ever since the day of election."

Miss Aurelia Wise Becomes Bride at Wedding in La Rue

MISS AURELIA WISE was united in marriage to James E. Parker of Morral in a pretty wedding solemnized at noon Sunday at the home of her mother, Mrs. Ethel Wise in LaRue. The couple exchanged their vows before an altar of chrysanthemums banked with ferns and palms in the double ring service of the Methodist Episcopal church, read by Rev. J. W. Horne in the presence of immediate relatives and close friends.

Following the ceremony a wedding dinner was served and later Mr. and Mrs. Parker left on a wedding trip through West Virginia. They will make their home in Morral where the bridegroom is a member of the Parker Bros. hardware and electrical firm.

The bride was given in marriage by her brother, C. R. Wise, and her only attendant was Mrs. G. B. Hewetson. Owen Sherwood was best man for the bridegroom.

The bride wore for her wedding a French clue chiffon frock made with tight fitting lines which reached to her ankles in an uneven hemline. The wide flowing sleeves were trimmed in a pointed band of white frosted beads and a band of the same material completed the V-neck of the gown. Her bouquet was of white roses and gypsophelia tied with white lace tulle arranged in a shower. Mrs. Hewetson wore a gown of pale green crepe made on the same lines as that worn by the bride and her flowers were a bouquet of Columbia roses and gypsophelia. Mrs. Parker wore for traveling a dark green crepe ensemble with a short gray ratteal jacket and accessories in a corresponding color.

Mrs. Parker is a graduate of the LaRue High school and the Marion Business college. For the last four years she has been employed as cashier in the office of the Columbus, Delaware and Marion Electric Co. Mr. Parker is a graduate of the Morral High school.

Guests included Mr. and Mrs. C. E. Wise and son Billy of Lorain, Mrs. Mary Parker of Morral, Mr. and Mrs. H. C. Todd and Mr. and Mrs. Owen Sherwood of Columbus, Mr. and Mrs. G. B. Hewetson and Mrs. B. M. Sager of Marion and Mr. and Mrs. J. W. Horne of LaRue.

ASHLAND'S HOPES FOR TITLE WRECKED

4 UNBEATEN TEAMS TO MEET SATURDAY

Heidelberg To Clash with Akron Zippers; Ohio U. Plays Muskingum.

BY LATHROP MACK
Associated Press Sports Writer.
By The Associated Press

COLUMBUS O., Nov. 10 A freak of the football schedule brings four of Ohios undefeated college teams together on two games this week end What's more the only colleges neither defeated nor tied Heidelberg and Akron will be thrown together at Akron

This unique arrangement brings about a situation which will result in blemishing someone's record beyond repair Heidelberg and Akron are the only teams which have won all their game while Muskingum and Ohio university were only tied and only once each

The Muskingum Ohio game will be played at Athens Ohio defeated Denison 36 to 0 in a Buckeye Association game Saturday while Muskingum was tied by Wooster 6 to 6 It was the first time the Muskies had been stopped while West Liberty tied Ohio university earlier in the year Muskingum later defeated West Liberty 14 to 12

Heidelberg warmed up for Akron by defeating Adrian college of Michigan 57 to 0, thereby passing Muskingum as the high scoring team of the state.

Akron won from Case 25 to 0 in an Ohio conference battle

Ohio Tops List

Other promising games are scheduled, in addition to the intersection struggle between Ohio State and Pittsburgh at Columbus, the second game of a home and home series which started with a Pitt victory last year.

Wittenberg, a charter member of the Buckeye conference which later withdrew, plays Cincinnati The Bearcats were the only conference team to re-schedule Wit this year Cincinnati defeated Marietta 20 to 0, Saturday while Wittenberg grew acquainted with Oglethorpe

Penn plays Ohio Wesleyan in the only Buckeye conference game and will probably take its fourth defeat, having won only one game of any sort all year Wesleyan undefeated in two conference games, defeated Miami 23 to 20 Saturday

Miami plays Oberlin which bowed Western Reserve its sixth successive defeat by 13 to 9 Saturday Oberlin's frantic passing in the last minute turned the trick

Reserve Plays Xavier

Reserve meets Xavier Saturday and has hardly a chance to win as Xavier relies on passes as a steady diet Dayton defeated the Muskegers 7 to 0 Saturday, however, and won permanent possession of the the governor's cup

Another good game should result at Cleveland when Dayton and John Carroll tie up Carroll lost 24 to 0 to Western Maryland last week end but "Western Mary" has won more than 20 straight games and has one of the best teams in the east

Wooster, after upsetting the dope against Muskingum, takes on Mount Union which rolled up the highest score made by any Ohio team all season in defeating Kenyon 63 to 2 The Closest approach was Muskingum's 60 to 0 defeat at Rio Grande Kenyon plays Marietta and should retrieve itself.

Next Friday Findlay and Bluffton will settle the Northwest conference championship Findlay can clinch it by winning, share it with Bowling Green by tying or lose it to the Beegers in case of a defeat

TRADITIONAL GAMES OCCUPY SPOTLIGHT IN GRID SCHEDULE

Yale, Princeton Battle Marks Fifty-Fourth Renewal of Annual Feud.

By The Associated Press

NEW YORK, Nov 10—Tradition comes into its own in eastern football this week and there are a few interectional novelties

Starting with the meeting of Yale and Princeton the fifty-fourth game of one of the oldest rivalries on record the list goes down with one after another of the games that count to the colleges whether their teams are good or bad Among there game are Cornell and Dartmouth, Syracuse and Colgate Brown and Columbia, Lehigh and Rutgers New York university and Georgetown, Amherst and Williams, Harvard and Holy-Cross

The first clash between the east coast and the west tops the intersectional program for next Saturday Fordham's undefeated and untied Rams tackle St Mary's of California, the so-called Notre Dame of the Pacific coast which has lost only one game in three seasons

Another long-distance traveler, Southern Methodist comes from Dallas to Baltimore to meet Navy From the south, Georgia Tech leads the way, playing Pennsylvania at Philadelphia, Oglethorpe plays Villanova in the same city while little Kentucky Wesleyan furnishes a 'brother' for Army.

Returning the visit paid by mid-western representatives last Saturday three eastern leaders take the westward trail. Pittsburgh plays Ohio State at Columbus, Penn State tackles Iowa at Iowa City and Boston College meets Loyola at Chicago

BY BOB KIRKPATRICK

TWO league games are on the schedule of play for this week in the N C O circuit Shelby is booked to make a trip here to engage in the annual skirmish with Harding while Gallon and Bucyrus bitter rivals will clash on Lane field in Bucyrus Both games will probably be hotly contested although Gallon is expected to emerge the ultimate winner over Bucyrus Place kicks expected Findlay was expected to romp over Bucyrus but Notre Dame did over Pennsylvania but apparently the non league team was fortunate in getting a 7-7 tie out of it

Ashland is not booked to play this Saturday but will celebrate the signing of the Armistice by starting another war with Wooster High school furnishing the opposition Not much is known here of Wooster's strength so no prediction is made Mansfield will also play a non-league game this week, meeting Toledo Woodward Tech.

• • •

Harding starts preparations today for the last opportunity to make the season a partial success by defeating Shelby, thus keeping Harding out of the league cellar. Just at present Shelby is in last place by the narrow margin of one point. Three defeats are chalked up against each of the teams but Harding has played one more, this one resulting in a tie. Inasmuch as the N. C. O. official standings are compiled on the basis of two points for a victory and one point for a tie Harding has one point while Shelby has yet to get even that many.

• • •

A win for the Presidents this week will definitely put them out of the cellar Shelby has yet to play Bucyrus and even though the Talbott led eleven should lose to Shelby the latter would have but two points to three for Harding However, should Shelby and Harding tie and then Shelby beat Bucyrus, Harding will conclude the season just where it started, namely, in the cellar.

Shelby is improving There is no doubt about it. Mansfield was forced the limit to beat them and several other opponents have been badly scared before they were able to defeat the Whippets. It behoves the Harding gridders to work plenty hard and spare no effort in preparing for the battle with Shelby A battle it will be and no one will be very much a favorite. A defeat for Harding will make a complete rout of a disastrous season while a victory will do something toward soothing the stings of three previous league defeats Get going Harding This is the final opportunity. Make the most of it!

ISSUES CHALLENGE

CHICAGO, Nov. 10—King Levinsky, who received an unpopular decision over Jimmy Slattery of Buffalo, in their fight at the Chicago stadium last Thursdy night, today issued a challenge for a return match.

GALION PASSES WAY TO 19-14 VICTORY IN HARD FOUGHT GAME

Mansfield Downs Shelby 7-0 as McKinney Scores Only Touchdown.

WHATEVER ropes Coach Rose Dean and his Aviated High school charges have been entertaining for their first N C O grid championship were glowering Saturday when the Galion Orange men handed the Statters a 19 to 14 beating on the Galion grid run. The game was hooped to be a toss-up and it turned out just that way Ashland's failure to check the aerial game of the winners is advanced as the cause of its failure to take the victory and with a chance at the N C O bunting

While Galion was trimming Ashland Mansfield and Shelby were playing some mediocre football on the Shelby field which when it was all over saw Mansfield the victor by 7 points to none for Shelby. It was the third straight league defeat for Shelby and the second league victory for the Tygers The Shelby defeat put them in last place and eased Harding into fifth. Harding has lost the same number but has tied one game.

Bucyrus Upsets Findlay

Neither of the above games can be figured as upsets but the surprising 7 7 tie which Bucyrus handed out to the powerful Findlay eleven, can be classed as the biggest kind of an upset. Picked to lose by a margin of several touchdowns the Bucyrus team battled Findlay to a standstill and deadlocked the count. It was non-league encounter so it will not affect the N C O standings.

Galion and Ashland battled on fairly even terms throughout their game except when Galion started to use their smooth working aerial attack The Ashland defense crumbled in that part of the game and allowed passes to be responsible for all of the Galion scores. Neither team scored in the opening quarter but both crossed the goal line twice in the second period, the score standing 14-13 for Ashland at the end of the half. It took Galion just about two minutes in the third period to shove the third touchdown across the Ashland goal line. After that McClintock's men took the defensive and kept the Ashlanders from scoring the rest of the game.

Tygers Defeat Shelby

Shelby outplayed the Mansfield Tygers during the first half of the game but could not dent the Tyger defense when the ball was within striking distance of the goal. McKinney, colored star of the Mansfield team scored the only points of the game when he dashed 10 yards off tackle in the third quarter for a touchdown Fisch place-kicked the goal for the extra point.

Mansfield is credited by sports writers of that city with having played a better brand of ball than it did against Harding the preceding week but the same writers believe the Tygers will have to polish up on their attack further if they are to finish the season undefeated.

Score by quarters

Mansfield	0	0	7	0—7
Shelby	0	0	0	0—0

• • •

Galion	0	13	6	0—19
Ashland	0	14	0	0—14

The team that gave Mr Rockne's team such a battle last fall in Soldier field before succumbing to a final period drive

Iowa made a great effort at Marquette, but fell shy in the closing minutes of play when a 42-yard forward pass enabled the Hill-toppers to score the only touchdown of the game.

Wisconsin smeared South Dakota State college 58 to 7, with substitutes doing most of the work while Minnesota ran its whole squad on and off the field in walloping the University of South Dakota, 59 to 0.

Chicago took another lacing at 7 to 7 trouncing from Purdue, but had the consolation of scoring its first points in five games. Illinois demonstrated tremendous improvement in holding Army to 13 to 0 decision, and shou'd give old man Staggs pupils another beating this week

Iowa made a great effort at Marquette, but fell shy in the closing minutes of play when a 42-yard forward pass enabled the Hill-toppers to score the only touchdown of the game.
